

MYTHFOREST

- Hestefallstjmm -

In the forest not far from my house is Hestefallstjenn. Hestefallstjenn is a pond and this music describes the atmosphere and feeling you get when standing close to it.

Measure I

Sunburst.' The sun rises and rays of light shatter the morning mist.

Measure36

Bugs and Birds: Insects small and large come to life, birds are seeking the water.

Measure 65

Black water abyss: The black and abysmal water holds many secrets

Measure200

Water lilies: Water lilies are rising from the murky water, stretching for the light.

Measure231

Echo from the other side (dvergmál)

The echo does not always send back the answer you want.

Measure296

The creatures of the forest are dancing into the night
